TOURNAMENT RULES

BOWLERS MUST TURN OFF ALL ELECTRONIC DEVICES DURING TOURNAMENT

1. All bowlers certified by USBC & NYS USBC Youth Members who have not reached their 18th birthday on or before August 1, 2026 (of the current season) will be eligible unless under suspension or in violation of the USBC eligibility rules. **No on-site certifications. USBC CERTIFIED #04393**
2. Tournament will be conducted on a team average basis as indicated on entry form. Team Averages Must Be Within One of the Classes.
3. Bowlers from different age divisions may bowl as a team. Teams may be all boys, all girls or mixed, in each class.
4. All bowlers must bowl within the Region(s) through which their membership dues are paid. Those paying dues and bowling in certified leagues in multiple associations, encompassing more than one Region, may enter in all regions in which they currently hold membership. However, if a bowler qualifies in more than one Region, Rule #5 prevails for that bowler only, not the Team. In case of a tie for Class & Placement, he/she will have 5 days from date of notification to choose on which team he/she will compete. A bowler may only advance to the state finals on one team.
5. A bowler or substitute may participate "unlimited". A team can re-enter "unlimited" without change in lineup. If a bowler has both teams winning, or in case of a tie for Class & Placement, they will have 5 days from date of notification to choose on which team they will compete with at the State Finals.
6. Entrant will use their highest 2026-27 USBC certified league average (including High School Certified Averages) as of January 1, 2027 based on a minimum of 12 games or four league sessions with a minimum of 10 games for entering purposes. Bowler who does not have 12 games or four league sessions with a minimum of 10 games as of January 1, 2027, may use his/her highest current league average at the time of participation, based on the minimum of 12 games or four league sessions with a minimum of 10 games. Certified bowlers with no certified average for the current season, may use their highest certified final book average from the 2025-26 season based on a minimum of 12 games or four league sessions with a minimum of 10 games. WRITTEN verification of the bowlers entering average must be submitted at the time of participation. Certified bowlers with no acceptable average classified using the USBC age division as follows: 8 & under and 9-12 (150); 13-16 (200); 17-18 (225) and will bowl scratch. Any type of Sport shot or modified Sport shot average will be Re-Rated as per USBC rules.
