2021 David Dahms Coach of the Year Award

West Hempstead Bowler O'Connor Named 2021 David Dahms Coach Of The Year Award

ARLINGTON, Texas - Arthur O'Connor of West Hempstead, New York, has been named the 2021 David Dahms Coach of the Year by the International Bowling Campus Youth Committee.

The annual award is determined by the IBC Youth Committee based on submitted applications.

The David Dahms Coach of the Year Award recognizes a coach that is trained through the USBC Coaching program who has been actively involved in a USBC Youth program and has demonstrated outstanding commitment to coaching, sportsmanship and knowledge of USBC Youth rules. It is named in honor of Dahms, who was an instrumental leader in the creation of what is now known as the USBC Junior Gold program.

"I'm stunned," said O'Connor, a Silver coach. "This recognition shows that what we're doing here is really working. I'm ecstatic at this because it presents more opportunities for me to help the sport of bowling."

O'Connor bowled through his teenage years but had gotten away from the sport to work in the food and beverage industry, which included owning a restaurant. He picked up the sport again at 40, and after moving back to New York in the late 2000s, found a home at Jib Lanes in Fresh Meadows, where he worked as the food and beverage director.

He soon was tasked with running the youth program at Jib Lanes and started with six youth bowlers in 2011. O'Connor quickly transformed the program, helping it grow to approximately 120 youth bowlers as of last season.

O'Connor has developed a culture that encourages his experienced students to help new bowlers with the basics and improve, and he is focused on helping showcase the scholarship opportunities available to youth bowlers who are looking at colleges.

He also has his own coaching channel on YouTube, Art of Bowling, which has more than 20,000 subscribers and several videos eclipsing more than 100,000 views.

O'Connor noted the 2018 World Bowling Coach Conference at the International Training and Research Center as being one of the watershed moments in his coaching career, which encouraged him to look at coaching on a full-time basis.

"Those were three of the most amazing days in my life," said O'Connor, who also is an administrative assistant for the New York City USBC. "I was like a kid in a candy store. The knowledge I gained from that was phenomenal, and being able to listen to Susie Minshew talk about taking the dive into coaching full-time was big for me. I was wanting to get out of the food and beverage industry, and her speech encouraged me to try coaching full-time. I'm very grateful to the LaSpina family (at Jib Lanes) for giving me the opportunity to do this."

O'Connor was recognized in April for his efforts during the virtual 2021 USBC Convention.

Report of the NYS USBC Office

Presidents Report – July 17, 2021

Good morning and welcome – I am so glad you can join us for the 2021 NYS USBC Annual Meeting. I know it is not the format we are accustomed to; however, it was determined early on that for the safety of our delegates, board members and guests the meeting would be a virtual function which will provide the capability to interact through chat rooms.

It goes without saying that it has been an exceedingly difficult 17 months for all of us, I would like to mention on behalf of the entire Board of Directors our thoughts and prayers have been with all who have personally been affected by the pandemic and have suffered loss or hardship because of it. Currently New York State has/is re-opened or reopening many activities, bowling included and by September we can only hope that we are operating as we once did.

Bowling membership witnessed a significant decline in New York this past year with our association certifying 43,110 adults and 5,694 youth bowlers, a decline of 35% and 32% respectively from last season. Tournament participation was also down but by years end we did notice the participation rising and already have teams signed up for next year's events.

Since we last met in person there have been some changes at NYS USBC:

- 🔊 Mike Pettinella has resigned the Association Manager position and Angelo Corradino has been hired by the Board to succeed in that position.

👉 Thank you, Mike, for all that you did and welcome to Angelo who has done well in the first year during trying times.

- 🔊 The bowlmy.com webpage has been upgraded and if you have not seen it yet, I encourage you to log on and look.

I am pleased to report that all financials are in order and the association is financially sound. All committees have completed their work and will be reporting to you on their recommendations and activities concluded later in the program.

I would like to personally thank the NYS USBC Officers and Directors, the Regional Youth Tournament Managers, the Youth Committee including the Youth Leaders and all the many others from around the state who give their time with no reward to make this association the success that it is. In addition, Angelo Corradino has done a superb job in his first year as Association Manager amidst the uncertain conditions surrounding the pandemic and deserves commendations for a job well done, thanks Angelo for all you do your service is greatly appreciated.

The need is still there for new members, either as a board member, Director-at-Large, committee member or ad-hoc member to any committee. We have thousands of certified bowlers in New York State, and I am positive there are many of them that could provide a much needed and appreciated service to this board, please reach out to your friends in bowling, your co-workers, and any others you may know who could be an asset to this board. Many of the current board members will be exhausting their terms soon and the need to find replacements is greater than ever, let us start our succession planning now for the future of bowling in New York State.

In closing, again I want to thank all of you and the members of your local associations for the continued effort and hard work you all do to make bowling in New York State the best it can be for all our membership.

Thanks,

Roger Buckman

Report of the NYS USBC Office

Association Manager's Report – July 17, 2021

Greetings Fellow Bowlers.

Before I begin to discuss the crazy year we've had, I would like to take a little time to thank Mike Pettinella for his years of service to bowlers of New York State. He was a great advocate for the sport during his tenure as Association Manager. He made sure the merger from three organizations to one went smoothly and he always put the bowler's needs first. Thank you, Mike.

The last 16 months have been a challenge for everyone as we have been trying to navigate a worldwide pandemic, there was a lot of uncertainty and fear for some people. As we are finally coming out of the crisis hopefully we can get the bowlers back on the lanes in September.

It was just about a year ago I was appointed as the Association Manager and I sat and wondered how long we were going to be closed. Would we be able to bowl league in September? Can we go back to our normal tournament schedule or will we have to cancel everything? Finally, on August 17 we were given the go ahead to re-open the centers. Shower curtains went up, leagues were spread out across the building and some needed to bowl in two shifts, but we were back!

Our first event was up in Utica the Seniors Open Championship which saw moderate success. Participation was down from last year and we did have a COVID scare, but we made it through and people were happy to be back on the lanes.

When we got to the Senior Masters in Staten Island we still had a decline in participation but made the best of it. The Holiday Season then came around and USBC gave us a gift.

With the help of Bowl TV New York State was awarded \$10,000 a year for the next 10 years to help with the prize funds for our Tournaments. The committee got together and decided to distribute the money based on participation. A break down of this can be found at www.bowlny.com in the news section.

The calendar turned and we headed to our larger more prestigious events. Our Masters event was won by Matt Fazzone of Rotterdam, he will represent NYS in the USBC Masters next year. Our Queen B, kept her streak going as Liz Kuhlkin won her third consecutive Queens Title, she earned a spot in the 2021 USBC Queens were she finished third.

Our Open and Women's Championship had good turnouts and were pretty successful. During these events we raised more than \$7000 in the 50/50s and \$1400 in bowling ball raffles. All this money will go to our charities.

The association also received a PPP loan to help offset our expenses since membership was down 35% this year. We received \$15,500 which was forgiven under the stimulus act from congress.

Finally, while it will not be run by this organization, we are happy to announce the 2022 US Women's Open Championships will be hosted by Kingpin's Alley Family Fun Center in South Glens Falls! We hope to see all of you at the events coming in 2021 and 2022. The first one is the Women' Senior Singles in Canandaigua in August.

Yours in Bowling,

Angelo L Corradino

Report of the Finance Committee

The committee met by zoom on November 2, 2020. There was no in house audit this year, due to COVID so the Accountant for the NYSUSBC had fully audited the financial position of the NYS USBC Inc.

He conducted a thorough audit to obtain reasonable assurance about whether the financial statements for the fiscal year August 1, 2019 to July 31, 2020 were free of material misstatement. It is the opinion of this Finance & Budget Committee that the financial statements referred to above present fairly, in all material aspects, the financial position of the NYS USBC as of July 31, 2020.

The Finance Committee recommends with the Board of Directors approval the following distributions that were obtained through another stellar year of fundraising from the Pathways committee and the generous donations from our great nowlers throughout the State. Since this money was raised before the COVID pandemic, we are only going to distribute \$14,000.00, this will leave money to help fund the 2019-2020 Fundraising efforts.

Total Raised \$27,000.00

Sloan Kettering Memorial Hospital - \$5,000.00 (toward Breast Cancer, Prostate Cancer, and Juvenile Cancers).

Roswell Park Cancer Institute - \$5,000.00 (Same breakdown as above).

BVL - \$2,000.00

Scholarships (YES Contribution) - \$2,000.00

At that time the Committee had also prepared a General Budget for the year 2020/2021

A very special Thank You to Mike Pettinella, for his impeccable books that has made the Finance Committee's job very efficient and easy through the years. Special Thanks to Roger and Angelo as well as my Committee for all of their hard work.

Independent Accountant's Review Report

To the Board of Directors of NYS USBC Inc. — Batavia, New York

I have reviewed the accompanying financial statements of the New York State USBC, Inc. (a non-profit corporation), which comprise the statements of financial position as of July 31, 2020 and 2019, and the related statements of activities and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion. Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error. My responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require me to perform procedures to obtain limited assurance as a basis for reporting whether I am aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. I believe that the results of my procedures provide a reasonable basis for our conclusion. Based on my reviews, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Report of the Awards Committee

The awards committee unanimously selected the following individuals to receive awards at our Hall of Fame dinner on August 29, 2020 in Binghamton.

Outstanding Performance Men – Jerry Brunette, Jr – Rochester, NY

Jerry built an impressive resume that includes a New York State Masters title (1995), three Rochester Masters titles, more than 50 singles tournament victories and top 10 finishes in the 2016 USBC Senior Masters and 2017 PBA50 National Doubles. The left-hander holds Rochester city records with a 250 Standard average in 2008 and a 227 Sport league average in 2008-09, both at Sunset Lanes. All told, he has more than 60 300 games and 40 800 series, including a 300-836 on a Sport condition – earning him a crystal pin from the USBC.

Outstanding Performance Men – George Barnes – Buffalo, NY

George a member of the Greater Buffalo USBC since 1954, was a regular participant in the NYS Open Championships for five decades through the early 1990s – with three NYS titles to his credit -- and continues to hold a 190 average in league play at the age of 82. A top Buffalo Classic League bowler from the 1960s-1980s, Barnes was a member of the first-place team in the 1969 NYS Open Championships (in both handicap and scratch divisions) and won the 1975 doubles with partner Bill Hohensee. Nationally, his Suburban Lanes All-Star team placed eighth at the ABC Championships in Syracuse in 1973. He has bowled in 56 ABC/USBC national tournaments and is tied for 51st place on the participation list and 34th place on the pin fall list.

Outstanding Performance Women – Becky Ripic – Southern Tier

Becky has performed consistently well in NYS Women's Championships competition since the early 1990s, cashing numerous times in all of the events and claiming a team title with the Laurel I team in 2013 in Albany. Holder of two 800 series, eight perfect games and five 299 games, she has been the Southern Tier USBC "Bowler of the Year" three times and averaged 227 in 2007-08. Ripic also has earned national recognition as a member of the Ripic's Pro Shop team that combined for a 2,378 scratch score on March 5, 2019 at Midway Lanes in Vestal. She rolled a 791 series during that league session and helped the tri0 place first in the 2-men, 1-woman team series category on the USBC National Team Score recognition list for the 2018-19 season.

Meritorious Service Men – Kevin Martin – Rochester

Kevin, owner of Parkview Bowl in Rochester, has been a strong supporter of NYS USBC and Rochester NY USBC tournament bowling since the early 1980s, regularly organizing large groups to participate. A youth bowling coach and former Empire State Games coach, he has donated his time and lanes to the development of high school programs and supports various charitable causes as both a director and sponsor. His fundraising efforts have benefited organizations such as the American Diabetes Association, ARC and Bowlers to Veterans Link.

Meritorious Service Men – Dennis O'Donnell – Auburn, NY

Dennis has been a major contributor to the success of organized bowling in New York State over the past 11 years, serving on the Board of Directors in various capacities, including his current position as Sergeant-at-Arms. The former president of the Auburn USBC (2001-02, 2008-12), he became a director of the Empire State USBC upon its inception in 2009, and continued on as a director on the NYS USBC board. He currently chairs the Awards Committee (but had no input into his selection as a Hall of Famer) and also serves on the Finance, Tournament and Conflict Resolution committees.

Meritorious Service – Woman – Rosa Moro – Syracuse, NY

Rosa has been a consistent participant in NYS Women's and Queens Championships and Syracuse (now Central NY USBC) tournaments for the past 40-plus years, promoting the tournaments by enlisting new bowlers and providing on-lane instruction and advice. She has contributed greatly to the sport not only as a tournament promoter, but also through her expertise at crafting distinct plaques, trophies and memorabilia for bowlers and other sport competitors.

Meritorious Service Woman – Barbara Rake – Southern Tier

Barbara has been active on the national and state level as a member and officer of the Women's 600 Club for more than 20 years, having served as club chairman, sergeant-at-arms, nominating committee chair. Additionally, she has bowled in the USBC Women's Championships and NYS Women's Championships for 33 years. A local association hall of famer, Rake served on the transition committee to merge the former Binghamton-Johnson City-Endicott (B-JC-E) WBA with the men's association to form the Southern Tier USBC, and has served the B-JC-E and Southern Tier USBC as an director and officer for over 30 years.

Service to Youth – Stephen Fawcett – Schenectady

Steve has been a dedicated youth league and tournament organizer, director and coach in the Schenectady area for three decades, and his hard work and commitment have had a profound, positive effect on hundreds of youth bowlers. Currently, he serves as treasurer for the local travel youth league and coach of the Sportsman Bowl girls' teams and facilitates the awarding of scholarship money for bowlers in the travel league in the Capital District. He also has been instrumental in raising more than \$150,000 in scholarships through the youth tournament he started – the Capital District Youth Scholarship Tour that which also sends 40 to 50 young bowlers to Junior Gold every year (an event that he attends annually at his expense). At the state level, Fawcett, a NYS USBC regional tournament manager, promotes and directs youth tournaments and programs, including the NYS Youth Leaders.

I would like to thank my committee on the work they did reviewing all the applications.

Respectfully Submitted:

Dennis J. O'Donnell, Chair; Randy Snyder, Steve Fawcett, Doug Bohannon, Maresse Wager- Walawender

Report of the Pathways Committee

The Pathways Committee is responsible for the coordination of fundraisers to support the charities of the New York State USBC, primarily Roswell Park Cancer Institute, Memorial Sloan Kettering Cancer Center and Bowlers to Veterans Link.

Additionally, these fundraisers support our Youth Scholarship program, which extends from elementary school children to those in their third year of high school.

Initiatives this year included the sale of July NYS Lottery Daily Number Fundraiser tickets, pink ribbon bowling ball raffle, and fundraiser \$\$\$ raffles at the various NYS championship tournaments, annual meeting and other special charity events.

A breakdown of the donations made is available in the Finances Committee report.

A reminder to all that an account for Amazon online purchases, has been set up so that a percentage of the purchase price can be donated to the New York State USBC at NO cost to the buyer.

We move forward this year with the goal of raising \$28,000. To accomplish this the committee will be reviewing existing money raisers and investigating new opportunities.

Thank You,

Pathways Committee

Report of the Public Relations Committee

Our Association's largest social media platform is Facebook. Where we have 2,275 followers. 44% of our followers are female and 56% male. The top age brackets would be 35 - 44 and 45 - 54, there is no presence from 13 to 17 and 2% from 18 to 24. In fact, we have more than double that in the 65+ category.

To grow our social media presence I suggest we take the following steps

Realize what the people that follow us also follow and share our posts with those pages. Some of those pages may surprise you.

The people that follow us also follow Jason Belmonte, Pete Weber, Adam Sandler, Eminem, Storm, Roto Grip, Sports Center, Family Guy, The sport of bowling-USBC.

We should be sharing our posts to these and other similar pages. In addition we should be sharing all of our posts with all of the local association pages. This will help in growing our events and sports.

We should also encourage other people in the bowling industry to post to our pages. Whether Pro Shops, Bowling Centers, Coaches, tutorial videos from USBC or other sources. In turn we are posting to their Facebook pages

As for promoting to Youth Bowling as to why our youth presence and young adult presence is so small is because they are not on Facebook.

Over the next year we must grow our presence on TikTok and Instagram that's where they are. See it is pretty simple their parents are on Facebook and Twitter so they won't be.

In closing, I ask all local associations to please share all of your stories the state association page. We will do the same for you.

Thanks for listening and see you on the lanes,

Public Relations Committee

Report of the Tournament Committee

Monday August 17, 2020 was a good day for bowlers in New York State as Governor Cuomo's office finally gave us the green light to open bowling centers across the state after being closed for almost 6 months to the day.

Fortunately, we were able to host all of our events and as time went by we saw increases in the participation. We had our ups and down but were still able to have an exciting season as we transitioned to the new normal under the worldwide COVID-19 Pandemic.

Information about all of the NYS USBC tournaments can be found at www.bowlny.com.

Following is a summary of tournaments from the 2020-21 bowling season:

Open Senior Singles, AMF Pin-O-Rama Lanes, Utica, October 2020 — A total of 121 doubles teams and 69 singles competed in the two-weekend Doubles & Singles tournament. Entries were down approximately 50%. **The 2021 tournament is scheduled for Vista Bowling Center in Yorkville.**

Senior Masters, Rab's Country Lanes, Staten Island November 2020 — Glenn Smith (New York City USBC) defeated Ray Edwards (Long Island USBC), 459-424, in the two-game finals to claim the \$500 first place prize. The tournament drew 44 entries, down from 62 the year before. **The 2021 event is scheduled for November 6 at Doug Kent's Rose Bowl in Newark.**

Masters, East Greenbush Bowling Center, East Greenbush, March 2021. Matt Fazzone (Schenectady USBC) defeated Connor LeClair (Schenectady USBC) 414-354 in the two-game finals to win the \$2,400 top prize and free entry to the 2021 USBC Masters. The tournament drew 120 bowlers, two more than the previous year. **The 2022 the Masters is scheduled for March 5 at AMF Dewey Gardens in Rochester.**

Queens, AMF Lancaster Lanes, Depew, NY, April 2021. In the Open Division, Liz Kuhlkin (Schenectady USBC) defeated Christine Nicholas (Central NY USBC) 278 – 190 to capture her third straight title, winning \$900 for first place and a paid entry to the 2021 USBC Queens (where she finished third). In the Classified Division Heather Peterson (Central NY USBC) defeated Christina Conover (Central NY USBC) 156 – 155 to earn \$450. **The 2022 the Queens is scheduled for April 23 at Ripic Carousel Lanes in Binghamton.**

Open Championships, Boulevard Bowl, Schenectady, April thru May 2021 – Entries were down a bit from previous year as we still saw some hesitation for bowlers to return to the lanes. We had 175 teams (down 26%), 404 doubles (down 17%), 808 singles (down 17%) and 661 All-Events (down 22%). **The 2022 the Open Championships are scheduled for April and May Spare Time in Latham.**

Women's Championships, Tonawanda Bowling Center, Tonawanda, April thru May 2021 – Entries were down a little more than the Open Championship as we saw a decrease of about 55% across the board. We had 170 teams, 341 doubles, 682 singles and 639 All-Events. **The 2022 the Women's Championships are scheduled for April and May Midway Lanes in Vestal.**

Women's Senior Singles Championships, Rose Bowl Lanes, Canandaigua, August 2021 – Entries have been coming in at a steady pace and have increased after the state was "re-opened" as a result the entry deadline was extended to August 1. As of June 21, we have 258 entries and will send another email blast for more entries.

Pepsi was a great hit with the bowlers, parents, the center and the youth committee members with the new format using 3 squads...we are planning to keep it in the future. The Ad/Jr was also discussed, Paul Terricciano. Tournament Manager asked for additional help from the youth committee because of the COVID needing help checking in and screening those entering in the center.

Report of the Youth Leaders

The NYS Youth Leaders assisted at many NYS Regional Team and Regional Pepsi Tournaments thorough out the bowling season. They also assisted at the NYS Pepsi State Finals and the NYS Team Tournament.

We had 18 Youth Leaders from across NYS join us at the NYS Regional Team Finals in Syracuse. The Youth Leaders came from Long Island, Catskill Mountain (Kingston), Northern Adirondack and Schenectady associations. At the Friday night Welcome Session on April 30, 2021, the Youth Leaders were able to get to know each other, review the week-end agenda, and divide up the assignments for tournament on Saturday. They had a lot of fun in competing in their own Quarantine Olympics. At the NYS Team Tournament on Saturday, the Youth Leaders did the flag presentation during Opening Ceremonies for both squads. They assisted in running of the tournament in many different ways: checking in teams, scorekeeping, team pictures, raffles, souvenir table, and awards presentation. There being many changes to the team tournament and they need to run two squads made it for a long day. The Youth Leaders worked hard to make the State Team Tournament run smoothly and an enjoyable experience for the youth bowlers and their families.

The NYS Youth Leaders have hosted virtual meetings in February, March and April via of Zoom to prepare for Syracuse and to work on committee items. The need to have 2 shifts at the team tournament and the time constraints in Syracuse, the NYS Youth Leaders held their annual meeting via of Zoom on May 23rd, 2021.

At the NYS Youth Leader Annual meeting on May 23rd, amendments to the bylaws were passed. Youth bowlers must be between age of 12 and 18 years old to join the NYS Youth Leaders. Each association is allowed up to six voting delegates. Youth Leaders can now be a voting delegate at age 12. Youth Leaders that run for an office must be at least 14 years of age and attended at least one NYS Youth Leader meeting. The Youth Leaders have also passed legislation allowing meetings to be virtual or in person along with legislation to allow for electronic or by mail vote. These bylaws changes will allow some of the younger Youth Leaders to be more active in the state meetings. It will allow the Youth Leaders to meet and get together more than just at the NYS Team Tournament in Syracuse.

The NYS Youth Leaders would like to congratulate to the following Youth Leaders on winning NYS USBC Spirit Awards: Kathryn Bowman, Northern Adirondack USBC and Brooke Bivins, Schenectady USBC. We would also like to salute Tom Solimine on his USBC Youth Volunteer of the Year for 2020 and Steve Fawcett for on his prestigious award. The NYS Youth Leaders have selected Edward Mencarelli as Coach of the Year and Mark Taylor for the Bridging the Gap (Adult). Congratulations to all for the outstanding work you do on behalf of youth bowlers.

The NYS Youth Leaders voted to increase the amount of contribution to the NYS USBC from \$1,000 to \$1,500 annually. They have also increased the Youth Leader of the year scholarship from \$200 to \$400 annually. Youth Leaders encourage youth bowlers and association to submit applications for scholarship and the other prestigious awards that are available through local, state and national levels.

The NYS Youth Leaders are looking into having a tournament or a get together during the summer or fall. This will be a time for them to get together and a chance to possibly recruit new members. The Youth Leaders are looking into other ways to promote the Youth Leader program by making a video about Youth Leaders, inviting association to have their Youth Committee chair (or another person) attend a virtual meeting about Youth Leaders. The Youth Leaders will be trying a number of ways to reach out to youth bowlers, youth leaders and association. This will include Facebook, emails, virtual meetings and google classroom. The NYS Youth Leaders official email is NYSYOUTHLEADERS@gmail.com. It is hoped that increasing the communication will not only promote the Youth Leader program, all the good work YL do and increase the connectiveness with those that are current NYS Youth Leader.

Elections of officers were held. The new NYS Youth Leader officers are listed in the front of the booklet. Thanks to all officers for all your hard work. Any association looking to start a Youth Leader Program please contact a NYS Youth Leader officer or an advisor

Opening Prayer

2020 Will be always remembered not only for the Pandemic but how people managed to maintain relationship and closeness even with social distancing, we looked out for one another more we called our friends and loved ones more often we texted and zoomed and facetimes our special events.

The Past 16 months have shown us to be resilient and have been hard on everyone across this great nation and across the world and especially within our bowling community. We will get thru this together and stronger with God's Love and Protection.

Let us pray now for those lost due to COVID and those that passed due to Cancer, and all other sickness we shall always remember them in Hearts and our Memories we will never forget them. We do not always understand God's Great Plan but know He has one, while it may hurt us now here on Earth know that our loved ones are in Peace with the Lord, and we will one day be with them again with our Heavenly Father.

I pray for those that have gotten sick and live with the lingering effects and symptoms, that they receive God's Healing Touch. I pray for the Nation to be strong and diligent and encourage all to receive the vaccinations so that we may be able to go back to the lives we all shared prior to COVID and enjoy and share time together and let us be thankful and grateful.

Memorial Service Poem

There is Journey's Just Begun-Poem by Ellen Brenneman
Don't think of them as gone away
There journey's just begun
Life holds so many faucets
This earth is only one.
Just Think of them as resting
From the sorrows and the tears
In a place of warmth and comfort
Where there are no days and years.
Think how they must be wishing
That we could know today
How nothing but our sadness
Can really pass away
And think of them as living
In the hearts of those they touched
For nothing loved is ever lost
And they were loved so much

Final Prayer

A Bowlers Prayer:
Dear Lord, Every time I Bowl a frame,
I thank you for this striking game.
Each step I take down the alley's lane,
I'm glad I can play in sunshine or in the rain.
When I've hooked my final bowling ball,
Please spare me a split when I answer your call
And take my mortal soul to be with You in your heavenly Lane.
